FOR IMMEDIATE RELEASE

Friday, May 29, 2020

### City of San Dimas Office of the City Manager – Update May 29, 2020

#### ***Latest Updates:***

- The State has granted Los Angeles County with permission to immediately reopen restaurants for in-person dining, and resume services at barbershops and hair salons with proper protocols in place. All businesses must adhere to distancing and infection control protocols that provide safety for employees, customers and the County's most vulnerable residents before reopening
  - Barbershops and Hair Salons:
    - Physical distancing measures will be in place
    - Employees and customers will be screened for symptoms, including cough and fever. Clients feeling unwell should reschedule their appointment
    - Everyone, including clients, must wear cloth face coverings while in the salon or barber shop and clients are encouraged to wear face coverings with earloops to ensure the face covering does not interfere with the hair service
    - Magazines, coffee and other amenities will not be available
    - Clients are encouraged to use credit cards and contactless payment systems. If electronic or card payment is not possible, customers should come with exact cash payment or check, if available
    - Stylists may only serve one client at a time
  - In-Person dining in restaurants:
    - Physical distancing measures will be in place
    - Employees and customers will be screened for symptoms, including cough and fever. Patrons feeling unwell should not eat at a restaurant
    - Outdoor seating and curbside pickup are prioritized
    - Reservations will be encouraged
    - Customers will be asked to wait for their table in their cars or outside the restaurant to prevent crowds from gathering
    - Diners must wear cloth face coverings when not eating
    - Bar areas will be closed
    - Occupancy capacity will be limited to 60% for the next three weeks
  - Nail salons and spa services including facials, massages, and waxing are still closed
  - For more detailed protocols, visit: <http://publichealth.lacounty.gov/media/Coronavirus/>
