 - City parks and trails closed at 4 pm today. Early closure was to ensure safe and timely departure of park guests and staff by the 6 pm countywide curfew
 - The San Dimas Sheriff's Department remains committed to our safety and communicating any threats to our community. Please know that every sworn officer at our station is now on duty at least 12 hours per day. All vacations and days off have been canceled. This provides a significant number of deputies for a response team to address riotous behavior in our city and elsewhere, and likewise provides additional teams at all Sheriff's stations to respond here should we need it.
 - Additionally, the staff on duty patrolling our streets is much higher than any typical day or night, providing greater numbers and swifter response should there be a problem here.
 - The Sheriff's Department uses Facebook, Twitter, and Nixle to provide updates to any law enforcement events. Please consider subscribing to these media outlets and to the City's update emails [HERE](#) or watch for social media posts to get direct information (<https://facebook.com/cityofsandimas/> or <https://twitter.com/cityofsandimas>)
