FOR IMMEDIATE RELEASE

Wednesday, June 10, 2020

City of San Dimas Office of the City Manager – Update June 10, 2020

Latest Updates:

- The County will release a modified Health Officer Order, and directives for the reopening of additional businesses will be issued tomorrow with an effective date of June 12. The Health Officer order will allow for the following sectors to reopen once they implement the required protocols for infection control and distancing:
 - Gyms and fitness facilities
 - Pro-league arenas without live audiences
 - Day camps
 - Museums, galleries, zoos, and aquariums
 - Campgrounds, RV parks, and outdoor recreation
 - Music, film and television production
 - Hotels for leisure travel
- In Los Angeles County, wildfires will always be a natural part of our lives. Wildfires will continue to be fueled by a build-up of dry vegetation and driven by hot, dry “Santa Ana” winds, making them extremely dangerous and challenging for firefighters to control. Make sure you and your family do your part and are prepared for wildfire season
 - Sit down with your family and create a wildfire action plan
 - Build an emergency supply kit
 - Create defensible space around your home
 - For more information, visit <https://www.fire.lacounty.gov/rsg/>
- San Dimas residents are invited to attend a virtual Public Scoping Meeting hosted by the Metro Gold Line Foothill Extension Construction Authority to discuss potential Project Modifications, including possible changes to proposed parking at station locations, including Glendora, San Dimas, La Verne, Pomona, and Claremont. During the meeting, the Construction Authority will seek input regarding the scope and content of an SEIR that will be prepared according to the California Environmental Quality Act (CEQA) to analyze the potential environmental impacts of the Project Modifications. To comply with local and state social distancing requirements, an in-person scoping meeting will not be held. However, the Construction Authority will host a virtual public scoping meeting as follows:
 - The meeting will be held on Wednesday, June 24 from 5:30 – 7:30 pm
 - A live presentation will be given by Construction Authority staff at 5:30 pm followed by public comment
 - For information on how to access the meeting via web and via phone, visit <https://foothillgoldline.org>
 - To request special accommodations, please contact (626) 471-9050 by Friday, June 19
