#### ***Latest Updates:***

- The City of San Dimas will begin the enforcement of the overnight parking restriction on the morning of July 6 at 2 am. Any vehicle observed parked on any street within the City, between the hours of 2 am, and 5 am, will be required to display a valid overnight parking permit to avoid a citation
- San Dimas residents are invited to attend a virtual Public Scoping Meeting hosted by the Metro Gold Line Foothill Extension Construction Authority to discuss potential Project Modifications, including possible changes to proposed parking at station locations, including Glendora, San Dimas, La Verne, Pomona, and Claremont. During the meeting, the Construction Authority will seek input regarding the scope and content of an SEIR that will be prepared according to the California Environmental Quality Act (CEQA) to analyze the potential environmental impacts of the Project Modifications.
