**FOR IMMEDIATE RELEASE**

Tuesday, July 21, 2020

### City of San Dimas Office of the City Manager – Update July 21, 2020

#### *Latest Updates:*

- Remember: COVID-19 can spread easily when you're in close contact with someone who is sick. If you are caring for a family member with COVID-19, do not share dishes, plates, eating utensils, towels, or bedding. Also, try to keep at least six feet of distance from them
- Feeling stressed or worried about COVID-19? Let CalHOPE connect you to vital resources that can help support your mental wellness. To learn more, call CalHOPE's Warm Line at (833) 317-HOPE (4673), or visit <https://calhope.dhcs.ca.gov/>
- Residents have reported receiving phone, email, or text messages asking them to participate in a "San Dimas Opinion Survey." This is part of a community-wide survey conducted by the consultants working with the Parks and Recreation Department for the Parks Needs Assessment that is currently taking place. Please take the time to provide us your feedback so that we can ensure your voice is heard as we plan for the future of San Dimas programs, activities, parks, facilities and special events
- The Los Angeles County Board of Supervisors has approved a \$1.22 billion spending package to fund a broad range of essential services and relief measures to assist people and businesses affected by the COVID-19 crisis. The plan covers spending in four main areas:
  - \$656 million for public health measures including testing and contact tracing
  - \$200 million for financial support for residents in the form of assistance for rent relief, food, and child care
  - \$160 million in grants to support small businesses
  - \$150 million to support the County workforce's response to the emergency, including disaster services workers and personal protective equipment for employees
  - For a full list of program allocations, [click here](#)
- Today, LA County's Department of Public Health (DPH) has issued reopening protocols for hair salons, barbershops, and personal care establishments in the County. The following are highlights from today's protocols, which have been updated to reflect new State guidance:
  - [Hair Salons & Barbershops](#)
  - For guidance on permissible outdoor services, [click here](#).
  - For the latest from the Board of Barbering & Cosmetology, [click here](#).
  - [Personal Care Establishments](#)
  - Visit DPH online at [publichealth.lacounty.gov/media/Coronavirus](http://publichealth.lacounty.gov/media/Coronavirus) to learn more
