### FOR IMMEDIATE RELEASE

Tuesday, August 11, 2020

### City of San Dimas Office of the City Manager – Update August 11, 2020

#### *Latest Updates:*

- The San Dimas Senior Center/Community Center (201 E. Bonita Avenue) will be operational as a cooling center location tomorrow, Wednesday, August 12 through Wednesday, August 19 from 10 am - 6 pm. If you plan on attending, please be considerate of others by doing the following:
  - Wearing a mask correctly at all times
  - Following state and local social distancing guidelines
  - No food will be available. For more information contact 909-394-6290.
- The Los Angeles County Department of Public Health today issued a Reopening Protocol for Youth Sports Leagues in Los Angeles County. For the most up-to-date protocol please visit <http://www.ph.lacounty.gov/media/Coronavirus/>. The recently issued protocol applies to:
  - All Youth Sporting Events, including tournaments, events or competitions are **NOT PERMITTED**
  - All players, coaches, family members and visitors are required to wear appropriate face covering
  - All youth sports activities must take place outdoors
  - High fives, handshakes, fist bumps and other unnecessary physical contact are discouraged.
  - Activities that are allowed include training conditioning and skill building with no contact.
- Mosquito Season is here, using repellent can be effective when using it correctly and appropriately. Don't be fooled, not every product is CDC recommended to be effective. [Click here for the Repellent Cheat Sheet](#)
- Governor Gavin Newsom announced a partnership with Google upon the success of California's first in the nation earthquake early alert system through smartphones. To download the earthquake early warning application "MyShake", visit [www.earthquake.ca.gov/mobile-application/](http://www.earthquake.ca.gov/mobile-application/)
- Reminder: when you feel the ground shaking, immediately "Drop, Cover, and Hold on." To learn how to be better prepared when driving, at work, or out for a walk, visit <https://earthquake.ca.gov/>
