### City of San Dimas Office of the City Manager – Update August 4, 2020

#### *Latest Updates:*

- If you have recently lost your job, even if you are receiving unemployment benefits, you may qualify for 20% off your natural gas bill with the SoCal Gas CARE program. It only takes a few minutes to apply, and no additional documentation is required. Click [HERE](#) to apply today and see if you qualify
- Residents are being warned to stay on alert for pandemic-related scams. The Los Angeles County Department of Consumer and Business Affairs released a warning about scammers exploiting California's COVID-19 Contact Tracing Program. For tips on how to spot them, visit <https://dcba.lacounty.gov/>
- Reminder: Residents can make a difference by recycling your used batteries. You can drop off your old household batteries (excluding car batteries) to the Public Works Counter at City Hall during regular business hours. City Hall is open Monday – Thursday from 7:30 am – 5:30 pm and Fridays from 7:30 am – 4:30 pm
- Please join the City of San Dimas for the first Parks Needs Assessment Virtual Community Workshop on Tuesday, August 18 at 6:00 pm via the Zoom webinar platform
  - Attendees will hear about the results of the previously conducted stakeholder interviews, communitywide survey, what the next steps are within the process and have the opportunity to ask questions of the Parks & Recreation representatives
  - All attendees will need to register to participate actively and can do so by clicking [here](#)
- The City has implemented an enhanced system for reporting code compliance and parking enforcement concerns. Please visit <https://sandimasca.gov/new-code-compliance-and-parking-enforcement-reporting-system/> to read more about our new system and how you can report a problem
- Today the LA County Board of Supervisors passed a motion to deploy county employees as Disaster Service Workers at Vote Centers to ensure safe and secure voting options this year. You can be a partner in this effort by signing up to be an Election Worker. Click [HERE](#) for more information
