- The Los Angeles County Department of Public Health will adhere to new guidance from the California Department of Public Health, which recommends that Counties with case rates at or above 200 cases per 100,000 residents do not extend waivers for the reopening of classroom instruction for students in grades TK- 6
 - Los Angeles County's case rate currently is 355 per 100,000 so will not be considering waiver applications, at this point
 - For more information, visit <http://publichealth.lacounty.gov/phcommon/public/media/mediapubhpdetail.cfm?prid=2552>
- The County Department of Public Health today issued a [Reopening Protocol for Youth Sports Leagues](#) in LA County. The recently issued protocol applies to:
 - Recreational youth sports leagues
 - Club sports
 - Travel sports
 - Sports sponsored by private & public schools serving students in TK-12 schools
 - This protocol is not intended for adult sports leagues (including collegiate sports, or amateur adult sports), which must remain closed per the State Health Officer Order
 - Until further notice, all youth sports activities must also take place outdoors

 - Call Parks and Recreation at (909) 394-6230 for more information
- The DMV extended driver's license permits with an expiration date through November 30, 2020, to give student drivers more time to prepare for and schedule their behind-the-wheel drive test during the COVID-19 pandemic
 - Eligible permits are extended six months or to a date 24 months from the date of application
 - The DMV alerted law enforcement of the extensions, which require no individual action on the part of drivers
