FOR IMMEDIATE RELEASE

Wednesday, September 2, 2020

City of San Dimas Office of the City Manager – Update September 2, 2020

Latest Updates:

Local:

- Due to extremely hot temperatures expected this weekend, the City will activate the San Dimas Senior/Community Center as a cooling center beginning tomorrow, September 3 through Thursday, September 10. The hours will be from 10 am – 6 pm. Please remember to observe social distancing and wear a mask
- Remember to tip out stagnant water weekly. Mosquitoes can grow into adults in 7 days, so make it a habit to check your yard or patio for any stagnant water. Visit <https://www.sgvmosquito.org/take-action-tip-toss-protect> for more tips to protect against mosquitoes

County:

- LA County Public Health, in consultation with the Board of Supervisors, has revised the Health Officer Order to allow for limited, on-campus operation for schools in LA County, as well as limited in-door operations of Hair Salons and Barbershops
 - Beginning Monday, September 14, schools K-12 may offer in-school services for small cohorts of students with Individualized Education Plans (IEP), students requiring instruction for English as a Second Language (ESL) or students needing assessments or specialized in-school services, as long as the school can fully implement the Health Officer's re-opening protocols
 - Hair salons and barbershops can re-open for indoor services at 25% occupancy provided they are in full compliance with the Health Officer's protocols. The Order encourages these businesses to continue outdoor operations when possible and to offer in-door operations for those services that cannot be provided outdoors. This Order is in effect beginning immediately
 - All other current restrictions remain unchanged at this time
- Need a printer? Select LA County Library locations (including the San Dimas Library) are offering wireless printing services where you can pick up your documents at any of the Sidewalk Service locations. For more information on wireless printing and Sidewalk Service, please visit <https://lacountylibrary.org/express-service/>

State:

- Are you ready for a potential disaster? Always be prepared, whether for a flood, wildfire, earthquake, or other emergencies. Learn more about National Preparedness Month and get prepared now. For more information, visit <https://www.caloes.ca.gov/ICESite/Pages/National-Preparedness-Month.aspx>
- Governor Gavin Newsom today announced the launch of the "Housing is Key" campaign aimed at connecting renters and landlords experiencing economic hardship due to COVID-19 with helpful information and resources. The campaign will be run by the Business, Consumer Services and Housing Agency (BCSH) and kicks off with a new website and social media ads targeting vulnerable communities
