FOR IMMEDIATE RELEASE

Wednesday, September 30, 2020

City of San Dimas Office of the City Manager – Update September 30, 2020

Latest Updates:

Local:

- Bobcat Fire update: the fire is currently 114,438 acres and 63% contained. Fire activity is limited to mainly smoldering within containment lines, and it should stay nearly within the existing footprint. Firefighters continue to patrol and mop up. For more updates, click <https://inciweb.nwcg.gov/incident/7152/>
- We currently have two vacancies on the Parks and Recreation Commission. Qualifications: Members must be residents of the City of San Dimas. Length of Term: Three (2) two-year terms – Terms expire in 2026. Applications are being accepted in the City Clerk's office until 5 pm on October 30, 2020. Applications are available at City Hall in the City Clerk's office 245 E. Bonita Ave or by clicking [HERE](#)

County:

- The school waiver program will begin accepting applications for TK-2 in-person instruction in early October. The issuance of waivers will be prioritized to schools with higher percentages of students qualified for free/reduced meals. Schools must also be able to open in full adherence with the LA County school reopening protocols. The application process will be available online at publichealth.lacounty.gov and will be launched in early October
- The Los Angeles County Procurement Technical Assistance Center (PTAC) offers one-on-one technical assistance and training to help businesses in Los Angeles County interested in local, state, and federal government contracting. PTAC Counselors can help your business with most government contracting matters, including becoming a registered vendor, getting certified, finding opportunities, target market analysis, and marketing to the government. To schedule a free one-on-one counseling session, please register [here](#), and you will be connected with a small business counselor
 - The Los Angeles County Department of Consumer and Business Affairs Office of Small Businesses also has a series of training webinars to help your small business. For more information, please visit the [Training Events](#) page
- **UPDATE ON REOPENINGS:** The following sectors can reopen with restrictions over the next ten days. **LA County Public Health will finalize the dates for each sector's reopening by Friday, October 2**
 - Cardrooms may reopen for outdoor gaming only. Food and beverages may not be served in cardrooms at this time
 - Indoor shopping malls will be allowed to reopen at 25% occupancy, with food courts and all common areas remaining closed
 - Nail salons may reopen for some indoor services, limited at 25% occupancy. We encourage you to continue to offer services outdoors, as the air circulation is better and there is a lower risk of disease transmission outdoors
 - Outdoor playgrounds may reopen, at the discretion of cities & the County Parks and Recreation Department. All parents and children age 2 & older must wear a cloth face covering, no eating or drinking, and parents are encouraged to monitor their children to ensure physical distancing.
 - The County is working on exploring the process for reopening Breweries and Wineries that serve meals
 - All businesses currently closed are urged to implement all the requirements and protocols before reopening to ensure compliance and avoid citations, fines, and closures. Protocols can be found at <http://publichealth.lacounty.gov/media/Coronavirus/>
