### FOR IMMEDIATE RELEASE

Friday, September 4, 2020

### City of San Dimas Office of the City Manager – Update September 4, 2020

#### *Latest Updates:*

##### *Local:*

- Join us for our Community Health and Resource Fair in Civic Center Plaza! This year's Health Fair will take place on Thursday, September 24 from 10 am – 1 pm. We will have community resources, health booths, and FREE flu shots from CVS Pharmacy
  - Pre-Registration is required for flu shots. Social distancing and masks are required at this event
  - For more information and to register, call (909) 394-6290
- City Hall will be closed on Monday, September 7 in observance of Labor Day. Regular City Hall hours will resume on Tuesday, September 8
- Reminder: The San Dimas Senior/Community Center will act as a cooling center through Thursday, September 10. The hours will be from 10 am – 6 pm. Please remember to observe social distancing and wear a mask
- The City of San Dimas Fall Classes & Programs are Now Available!
  - Register now for a variety of classes that are in-person and virtual
  - Click <https://secure.rec1.com/CA/san-dimas-ca/catalog> to register
- Foothill Gold Line update: rail delivery train dropped off steel rail this week at various locations along the Foothill Gold Line corridor to be used to build the future freight and light rail tracks. For more information, visit <https://foothillgoldline.org/>

##### *County:*

- The swim beach at Bonelli Park will be open through Sunday from 10 am – 5 pm. For more information, visit <https://parks.lacounty.gov/summer>
- As COVID-19 hospitalizations continues to decline, LA County Public Health reports three additional cases of multisystem inflammatory syndrome in children (MIS-C). This brings the total cases of MIS-C in L.A. County to 31 children
  - Parents and guardians are urged to contact their child's primary care provider if they believe their child is displaying MIS-C symptoms, - inflamed body parts, including the heart, lungs, kidneys, brain, skin, eyes, or gastrointestinal organs. If they do not have a primary care provider, dial 2-1-1 and L.A. County will help connect them to one

##### *State:*

- As the hot weather approaches this weekend, remember to do your part to prevent possible power outages by conserving energy. Set A/C thermostats to 78 degrees or higher, avoid using large appliances during peak hours, and close drapes and blinds
- Tenants and landlords impacted by COVID-19 now have new protections and relief under the law and it's critical that all Californians learn their rights. Visit <https://landlordtenant.dre.ca.gov/> to learn about your rights and options under the Housing Stabilization Act of 2020
- Governor Gavin Newsom signed an emergency proclamation to free up additional energy capacity amid extreme temperatures across California
  - The proclamation permits power plants to generate more power by suspending certain permitting requirements, helping to alleviate the heat-induced demands on the state's energy grid
