

Covid-19 Impacts

THINK GREEN.®

Impacts of Covid-19 on Residential Waste

RESIDENTIAL WASTE AT AN ALL TIME HIGH

- Take Out
- Home offices
- Return to more single use packaging
- Home deliveries
- Disposable PPE
- Spring cleaning/garage clean outs

Impacts of Covid-19 on Workforce

WORKFORCE CHALLENGES

- CDC Guidelines for quarantines
- Surge of infections
- Every day numbers change

TEMPORARY COVID-19 SCHEDULE

Important Message for Waste Management Customers

Until further notice, yard waste and recycling carts will be serviced on a biweekly schedule. This is a temporary service change to prioritize staffing for trash pickup due to COVID-19 impacts.

January collection will be as follows:

- Week of Jan. 4: Trash and yard waste collection only, please place all extra yard waste in a bag next to your cart
- Week of Jan. 11: Trash and recycling collection only, please place all extra recycling in a bag next to your cart
- Week of Jan. 18: Trash and yard waste collection only, please place all extra yard waste in a bag next to your cart
- Week of Jan. 25: Trash and recycling collection only, please place all extra recycling in a bag next to your cart

Customer Note: Christmas trees will only be picked up on green waste collection weeks. Bulky item pickup will not be affected.

Thank you for your patience and understanding.
