HOW TO APPLY

A City of San Dimas application must be completed and may be obtained from the website www.sandimas.gov or Personnel Office, 245 E. Bonita Avenue, San Dimas, CA (909) 394-6225. Applications must be received no later than Friday July 16, 2021 at 5:30 p.m. A resume may be attached to the application, but does not substitute for a completed City application. E-mails and faxes are not accepted.

GENERAL PURPOSE

Under general direction from the Director of Community Development, assumes broad responsibility for the oversight of current and advanced planning projects, the supervision of professional and technical staff; coordinates project administration and communications between the Planning Division, other City departments, Commissions, City Council and other outside agencies; provides highly responsible and complex administrative support to the Director of Community Development and performs other related duties as assigned.

DISTINGUISHING CHARACTERISTICS

The City of San Dimas is seeking a strong, experienced, and motivating leader to serve as their new Planning Manager. The Planning Manager provides day-to-day leadership for the division and works with staff to ensure a high-performance, customer service-oriented work environment which supports achieving City objectives and service expectations. The ideal candidate will be a dedicated, problem solver, conscientious, innovative, great communicator and a highly ethical leader with exceptional interpersonal skills and the ability to engage and connect with staff and the community. The Planning Manager is responsible for planning, coordinating, managing and reviewing the work of professional and technical staff in the Community Development Department's Planning Division. The position is responsible for current and advance planning, the maintenance of the City's General Plan and Zoning Code. Responsibilities and assignments are broad

in scope and require considerable independent judgment on issues that are complex, interpretive and evaluative in nature.

ESSENTIAL DUTIES AND RESPONSIBILITIES

The following functions are typical for this classification and from the City's position the following duties are essential of the Planning Manager. Incumbents may not perform all of the listed functions and/or may be required to perform additional or different functions from those set forth below to address business needs and changing business practices.

1. Plans, organizes, controls, integrates and evaluates the work of assigned staff; assists in developing and administering division budget; supervises and participates in the development, implementation and evaluation of plans, work processes, systems and procedures to achieve annual goals, objectives and work standards and to meet with staff to identify and resolve problems.
2. Manage and participate in the development and implementation of goals, objectives, policies and priorities for assigned programs including General Plan updates/amendments and other related advanced planning functions such as annexations, regional planning and demographics, zoning plan check function and the administration of the City's zoning codes and other related current and advanced planning activities; evaluate, recommend and administer policies and procedures related to the efficiency and effectiveness of the planning operations, including the public counter.
3. Plans and evaluates the performance of assigned staff; establishes work programs and personal development goals; regularly monitors work performance and provides leadership and mentoring for performance improvement and development.
4. Oversees the development and implementation of major project goals, program priorities, and presentation materials that are created by professional and technical staff.
5. Investigates, coordinates and resolves significant communication efforts involving staff, other departments, developers, contractors, and the general public; considers strategies to promote teamwork and promote employee development.
6. Researches, analyzes, prepares and presents reports to City Council, Planning Commission, public groups and city staff regarding regional and local planning issues; ensures timely actions on Planning Commission directives and initiatives; ensures implementation of City Council resolutions on departmental matters.
7. Represents the division before the Planning Commission, and various committees and boards, and the City Council. Coordinates planning matters with legal counsel.
8. Monitor and evaluate the efficiency and effectiveness of service delivery methods and procedures; recommend, within departmental policy, appropriate service and staffing levels.

9. Analyzes and develops projects and determines project priorities and scheduling; estimates personnel, resources, and time required for project completion; maintains and updates General Plan elements as required; prepares and conducts presentations to decision-makers and the public; prepares and reviews detailed staff reports in areas such as subdivision review, zone changes, environmental impact, and grant application; conducts special research to support major planning projects.

10. Leads environmental reviews and assessments involving private and City projects, ordinances, and policy development.

11. Utilizes or manages the use of computers and software programs for various technical projects and studies; prepares complete, accurate and concise written technical reports and correspondence.

12. Makes decisions within specified limits regarding land use and zoning matters; ensures the proper administration and enforcement of the City's zoning, housing, and related codes; consults with Director of Community Development concerning controversial or complex matters.

13. Monitors and keeps informed of current trends in the urban planning field and community development matters, including legislation, court rulings, and professional practices and techniques; evaluates their impact on City operations and recommends policy and procedural improvements.

14. Confers with personnel from other departments and agencies in carrying out assignments; meets with professionals, citizens and organizations to encourage action or resolve problems related to division work activities and projects.

15. Advises the City Council, Planning Commission, City Manager, Director of Community Development and others on departmental issues; assembles necessary resources to solve a broad range of programmatic and service delivery problems in current and/or advanced planning.

16. Assists in the preparation of new City ordinances and the revision of existing ordinances; reviews development plans for conformance with planning policies and standards.

17. Assists Director of Community Development in building strong city relations with the development, business community and residents.

QUALIFICATIONS GUIDELINES
